CTDA değeri olan aynı üretim partisindeki karoların, görünüm farklılıklarını (doku, renk, ton ve motif bakımından) ifade eden teknik özellikler, dört farklı kriterde değerlendirilir.

The color shade or shades of all tiles vary to some degree from piece to piece, for each single production. At least several pieces from the same production should be reviewed whenever possible to determine acceptable color shade variations. Any questions or concerns about your tile selection should be clarified prior to installation.
